

## **PROPOSED PROJECT No.2**

### **CONSTRUCTION OF 45 MT. WIDE RING ROAD No.1 AT VILLAGE MADHAPAR & VAVDI SITE:**

#### **Background:**

The ring road No. 1 was initially passing through villages viz. Madhapar, Raiya, Nanamava, Mavdi and Vavdi. In the year 1998 by a notification of the Government, the villages viz. Raiya, Nanamava and Mavdi were merged into the Rajkot Municipal Corporation area. Accordingly, the construction works on these villages were carried out by the RMC. The rest of the portion of this ring road falling in the villages viz. Madhapar and Vavdi which are under the jurisdiction of RUDA, the execution work is to be carried out by RUDA.

#### **Action taken by RUDA:**

So far as the villages viz. Madhapar is concerned, the portion of land on which the ring road is to be constructed is clear and free from any encumbrances. However, in the village Vavdi there were may illegal constructions and encroachments were there in that particular portion. This portion also comes under the proposed T.P. Scheme No. 14 (Vavdi) area. As per provisions of the Act RUDA got removed all the illegal constructions and encroachments and now the land is clear to execute the ring road project.

#### **Present Status:**

- On the Jamnagar road and Gondal road the length of the site is 1100 meters and 800 meters respectively.
- On Gondal road the site necessary survey work and demarcation has already been done.
- Since the length of road site is very less, RUDA has decided to get the work done through R.M.C. on depository work basis. Accordingly, the R.M.C. has prepared the detailed plans and estimates.

#### **Salient Features:**

- One can travel from Jamnagar to Gondal without entering into the City of Rajkot and vice versa.
- This will reduce the traffic nuisance in the city thereby curtailing the air pollution and voice menace remarkably.

**Estimate:**

<b>Particulars</b>	<b>Madhapar site Rs. in lacs</b>	<b>Vavdi site Rs. in lacs.</b>	<b>Total Rs. in lacs</b>
E/W & WBM	29.60	17.90	47.50
Asphalt carpet	51.50	34.32	85.82
Central Divider	7.75	5.84	13.59
Sodium lighting	9.66	8.00	17.66
<b>Total</b>	<b>98.51</b>	<b>66.06</b>	<b>164.57</b>

**Phasing of the project:**

Phase I	2005-06 E/W & W.B.M.	Rs. 47.50 lacs
Phase II	2006-07 Remaining work	<u>Rs. 117.07 lacs</u> Rs. 164.57 lacs =====
